

We are writing to invite you and the residents of Beeston Regis Parish to take part in a survey on how you feel about tourism in your area.

The survey is part of the Norfolk County Council [EXPERIENCE](#) project and is about summer and winter tourism. It will be carried out every six months over the next 2-3 years.

Take part here: https://surreyfbel.qualtrics.com/jfe/form/SV_bQoQxu2MzFR2Pyu

More information:

- The results will be used to tailor the activities of the project and to better understand the benefits and disadvantages of tourism for local people.
- Anyone who is over 18 and a resident in Norfolk can take part.
- There's a prize draw for £40 of Jarrold vouchers for participants (excluding employees of Norfolk County Council and their families, and anyone involved in the prize draw).
- The survey closes at midnight on 16 April 2021.

We would be very grateful if you could redistribute this to your residents and networks, as it's important that we get views from residents across Norfolk. If you are Parish Clerk to another parish, please also pass onto them.

Thank you in advance!

Best Wishes,

The EXPERIENCE Team.
